DAVID SAFFERT As Liberace

David Saffert, like Liberace, is a classically trained pianist from Wisconsin. He has been seen on stage in sketch comedy, improv, solo piano concerts, and in his very own music & comedy variety shows. David has worked as a pianist (sans sequins) with such organizations as the Guthrie Theater (MN), Oregon Ballet Theatre, Portland Opera, Oregon Symphony, and the Interlochen Arts Camp.

Some of David's favorite Liberace tribute highlights have been at Feinstein's at the Nikko (CA), Tony Starlight's Showroom (OR), Portland talk show *Late Night Action w/ Alex Falcone*, Oregon Public Broadcasting's *Think Out Loud*, and on All Classical Portland radio's live broadcasts of *Thursday's @ 3*. He appeared as the featured guest on two *Under the Vegas Sun* television episodes which were filmed at the Liberace Mansion in Las Vegas.

*"He didn't just impersonate the pianist,
he really embodied his whole spirit."*

JILLIAN SNOW HARRIS As Liza Minnelli

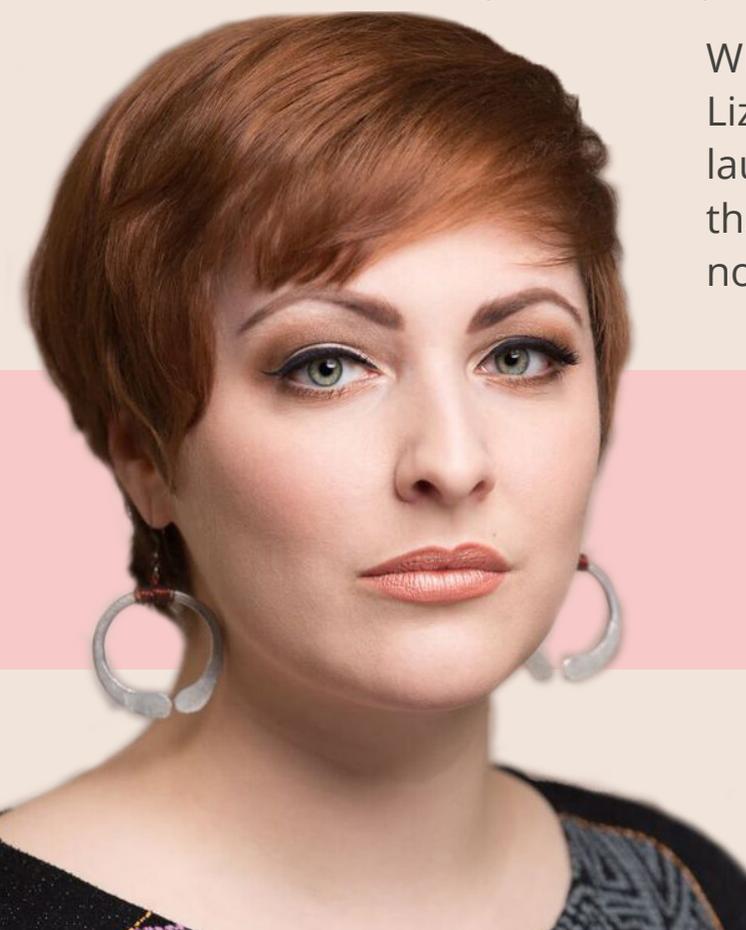

Jillian Snow Harris has thrilled audiences across the country with her spot-on impersonation of Liza Minnelli. After graduating from the American Musical and Dramatic Academy in New York City, the singer/actor/comedienne portrayed Liza in comedy clubs throughout New York before bringing her big voice home to Portland, OR, where she was featured in the US Premiere of *Liza, Liza, Liza* at Triangle! Productions.

Now a regular performer at Tony Starlight's Showroom, Harris delights audiences with a diverse repertoire of famous female voices, including Bernadette Peters, Eartha Kitt, and Judy Garland.

While her sharp comic timing and exaggerated Liza quirks will have audiences doubled over in laughter, it's when she starts belting out songs that it quickly becomes clear that her talent is no joke.

"Harris's comic timing and Liza impression are spot on!"

DON'T JUST LISTEN TO US...

The show celebrated the immense talent and quirky personas of Liberace and Liza while playing upon an imaginary friendship between the two. Saffert and Harris, who've performed together for years, played their Liberace and Liza beautifully off one another...

— San Francisco Chronicle

It's obvious from the get-go that Saffert and Snow Harris have worked hard to create a loving homage to these characters, and crafted a fine line that teeters between well-done and camp.

— Oregon Arts Watch

There are places in this world where groups like In Sequins Productions can bring back part of what we believe is the greatest time of music in American history. And I think that's important.
